Legislative Regulatory Conference 2022

Town & Country employees, Christina Rauch, Gervas Mgonja, Chelsie Madden, and Josie Pierce spent the day in Des Moines on February 16th advocating for Iowa credit unions. They enjoyed meeting and conversing with Senator Jason Schultz on Iowa credit unions and how they are growing Iowa. Town & Country encourages their members to reach out to credit union employees to better understand how they can advocate on behalf of credit unions in Iowa. Together we can make a difference and be **#peoplehelpingpeople**.

FILL IN THE GAP ON YOUR NEXT VEHICLE LOAN!

Most cars, trucks and SUVs depreciate by thousands of dollars as soon as they are purchased. Unfortunately, if your vehicle is stolen, accidentally damaged beyond repair, or otherwise declared as a total loss, you are still liable to pay the difference, or the “gap” between your insurer’s settlement and your loan balance. You will be paying out of pocket for a vehicle that, for all practical purposes, no longer exists.

GAP – Guaranteed Asset Protection – is a low cost coverage that pays the difference between your insurance settlement and your loan balance on items directly related to the purchase of your vehicle. You can sign up for GAP when you apply for your vehicle loan. There’s no underwriting, no red tape, no hassles.

And for your convenience, the amount can be rolled in to your monthly loan payment. **Ask any Town & Country loan officer for more details.**
