# #PEOPLEHELPINGPEOPLE

Town & Country Credit Union is dedicated to becoming the financial provider of choice for our members by building lifelong relationships and supporting our communities through continuous involvement and service.

The credit union prides themselves on not only giving back to their communities financially, but also through community involvement and volunteer time. The credit union is proud of their employees and board members who continue to show love for their communities through the giving of their time and resources.

On August 14th, Town & Country sponsored Kid's Bike Night at Shelby County Speedway. The credit union organized 6 races for boys and girls aged 1-14. They provided 6 winners with a personalized winner's certificate and a Dairy Queen gift card. The credit union also drew for 3 lucky winners to be given a brand new bicycle. The credit union loves giving back to the people in our community.

The credit union was approached by a few organizations this month to donate to several great causes. The credit union loves giving back to organizations that also give back and support our local community. Town & Country was a hole sponsor for the Charley's Angels Foundation golf tournament in memory of Junior Firefighter Charley Falkena, as well as a hole sponsor for Mt. Nebo Lodge. The lodge gives the raised money back through a local scholarship.

If your organization is requesting a donation or in need of volunteers, contact Chelsie or Christina in the Avoca location at 712-307-6881.

# 5 REASONS TO SWITCH TO ESTATEMENTS

**CALL THE CREDIT UNION TODAY TO MAKE THE SWITCH**

- **Keep your information safer.** Mailed statements are more susceptible to identity theft. This is because your personal information is accessible to anyone who happens to stumble upon them. eStatements offer an extra layer of security, since your statements are accessed through your online banking portal.
- **Eco-friendly.** Less paper statements means less paper waste. Go green for the environment with eStatements.
- **Clear out the clutter.** Why bother with piles of paperwork when you can access your accounts online?
- **Safe and secure storage.** Your online banking portal acts as a secure filing cabinet.
- **Check your account at a glance.** There is no need to wait for your monthly statement to arrive in the mail. Just a few clicks and you have access to your statements anytime.
