#PEOPLEHELPINGPEOPLE

Town & Country Credit Union is dedicated to becoming the financial provider of choice for our members by building lifelong relationships and supporting our communities through continuous involvement and service. The credit union prides themselves on not only giving back to their communities financially, but also through community involvement and volunteer time. The credit union is proud of their employees and board members who continue to show love for their communities through the giving of their time and resources.

Welcome Fall! Our credit union staff and board members are looking forward to the changing of seasons and new activities it will bring.

We have had a summer full of highlights. This includes sponsoring Bike Night at Shelby County Speedway, sponsoring holes at many golf tournaments, volunteering at the local fairs, as well as credit union day at the Iowa State Fair and many more. You can follow our many volunteer and sponsorship activities on Facebook, Twitter, or LinkedIn.

This credit union loves to give back to our local communities. This is why we have committed to a \$5,000 donation to the Petersen Family Wellness Center and Lewis Family Aquatic Center's "Make a Splash" fundraising campaign, as well as a \$1,000 donation to Avoca Main St.

The credit union has purchased its annual Viking Booster Club Membership and will be providing a meal later in the football season for community members. You can watch for football, volleyball, and cross country student athlete flags to be up in the windows of the Avoca branch in early October. The credit union challenges other local businesses to purchase a student athletes flag and support the Viking Booster Club during the Homecoming Auction.

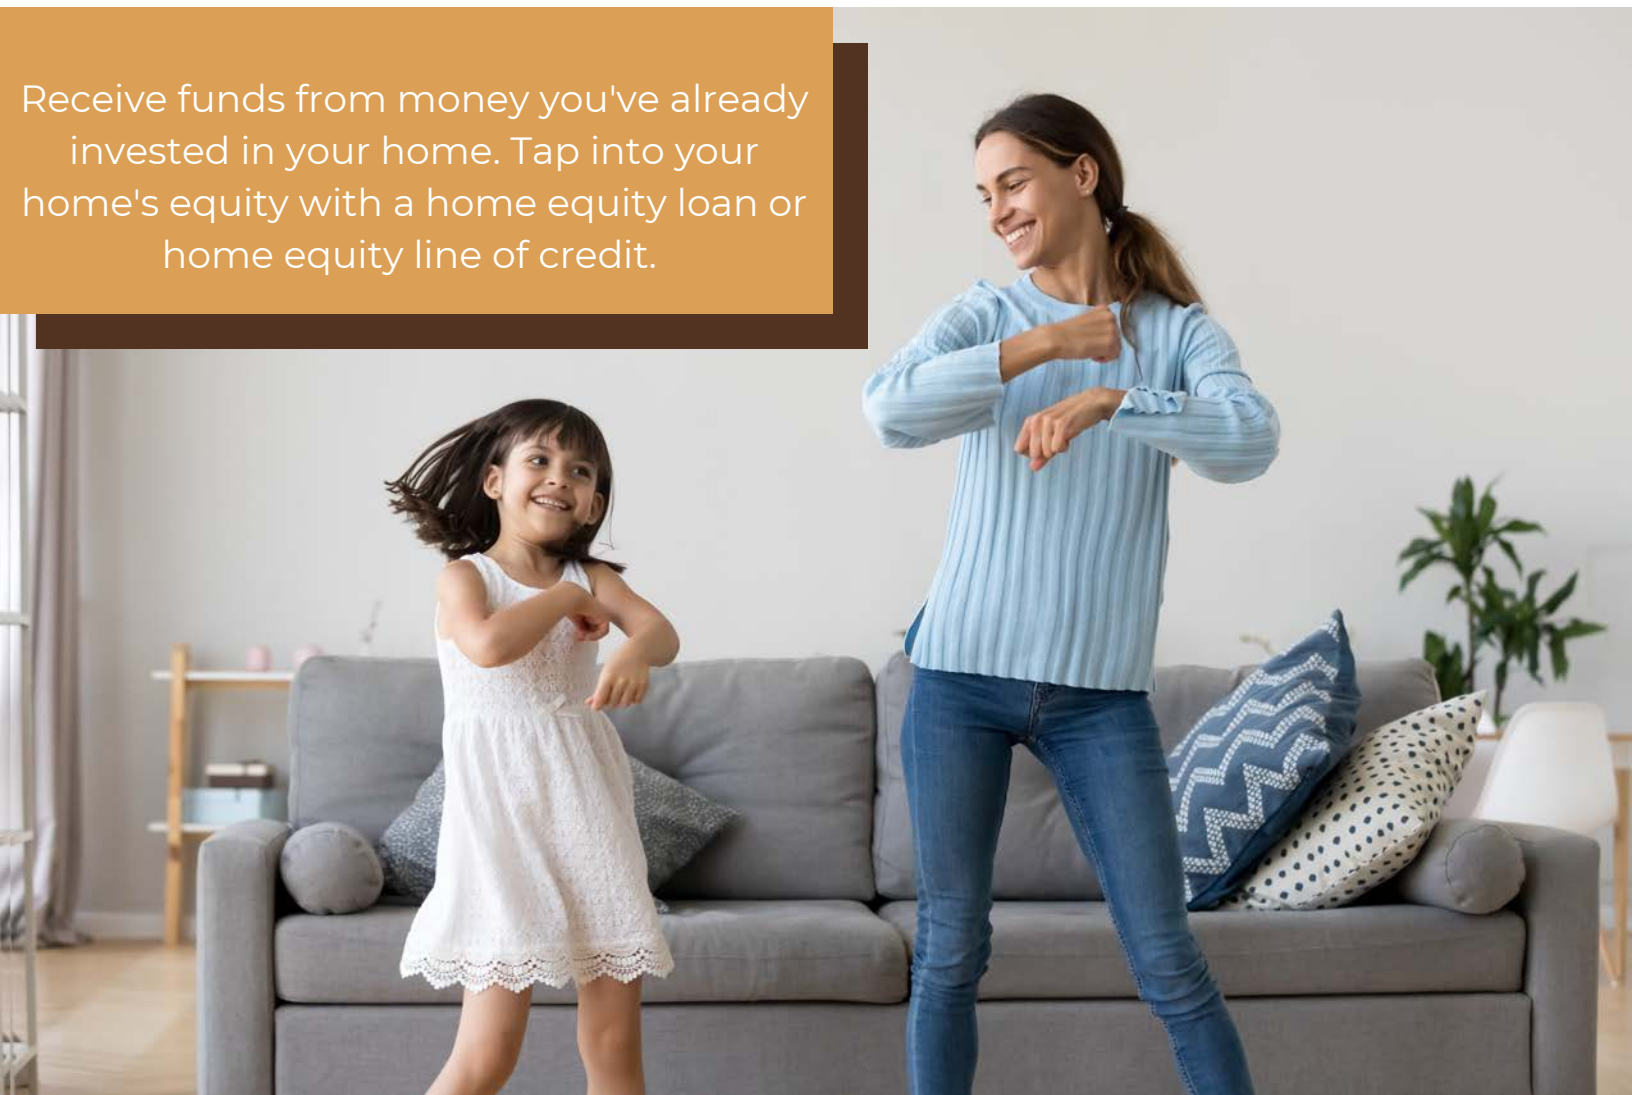

If your organization is requesting a donation or in need of volunteers, contact Chelsie or Christina in the Avoca location at 712-307-6881.

ROMANCE SCAMS HAVE BEEN THE #1 REPORTED SCAM IN THE UNITED STATES SINCE 2019.

Signs of a scam:

- Professes love quickly.
- Claims to be overseas or going overseas soon for business or military service.
- Asks for money and lures you off the dating site.
- Claims to need money - for emergencies, hospital bills, or travel.
- Plans to visit but can't because of emergency.
- Your new romantic interest sends you a picture that looks more like a model from a fashion magazine than an ordinary snapshot.
- He or she lavishes you with attention. They will contact you through texts, emails and phone calls to draw you in.
- He or she repeatedly promises to meet in person but always comes up with an excuse to cancel.

CONGRATULATIONS, CHELSIE

2020/2021 Iowa Innovation Group Member & creator of Roots prototype

Vice President of Marketing & Member Experience & Avoca Branch Manager, Chelsie Madden presented at the Iowa Credit Union League's annual credit union convention as part of the Iowa Innovation Group. The convention was held from Wednesday, September 14th - Friday, September 17th. Chelsie created an innovative prototype called Roots to help members who have suffered income shock.

While in Dubuque, IA at the convention, Chelsie was also able to volunteer at Habitat for Humanity where a group of Crashers and Innovators built and stained Adirondack chairs.
